

Photo Release: South Pole Energy Challenge Team Reaches South Pole

January 15, 2018

SOUTH POLE, Antarctica and TINTON FALLS, N.J., Jan. 15, 2018 /PRNewswire/ -- **CAPTION:** After 56 days skiing over 600 miles, the South Pole Energy Team has reached the South Pole. Pictured here with [Commvault](#) CMO Chris Powell, who joined the team for its last week and final 60 miles, at the South Pole with Commvault flag signed by employees from all over the world. Current weather at South Pole: Windchills -37 Celsius... true temp -28 Celsius! Commvault serves as the official Data Partner for the expedition organization 2041.com, assuring all images, communications and data are protected by the Commvault Data Platform. To read more details about this remarkable expedition, please visit [here](#).

About Commvault

Commvault is a leading provider of data protection, and cloud and information management solutions, helping companies worldwide activate their data to drive more value and business insight and transform modern data environments. With solutions and services delivered directly and through a worldwide network of partners and service providers, Commvault solutions comprise one of the industry's leading portfolios in data protection and recovery, cloud, virtualization, archive, file sync and share. Commvault has earned accolades from customers and third party influencers for its technology vision, innovation, and execution as an independent and trusted expert. Without the distraction of a hardware business or other business agenda, Commvault's sole focus on data management has led to adoption by companies of all sizes, in all industries, and for solutions deployed on premise, across mobile platforms, to and from the cloud, and provided as-a-service. Commvault employs more than 2,700 highly- skilled individuals across markets worldwide, is publicly traded on NASDAQ (CVLT), and is headquartered in Tinton Falls, New Jersey in the United States. To learn more about Commvault — and how it can help make your data work for you — visit www.commvault.com.

Safe Harbor Statement

Customers' results may differ materially from those stated herein; Commvault does not guarantee that all customers can achieve benefits similar to those stated above. This press release may contain forward-looking statements, including statements regarding financial projections, which are subject to risks and uncertainties, such as competitive factors, difficulties and delays inherent in the development, manufacturing, marketing and sale of software products and related services, general economic conditions and others. Statements regarding Commvault's beliefs, plans, expectations or intentions regarding the future are forward-looking statements, within the meaning of Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended. All such forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Actual results may differ materially from anticipated results. Commvault does not undertake to update its forward-looking statements. The development and timing of any product release as well as any of its features or functionality remain at our sole discretion.
