

Commvault Appoints Grace Ho as ASEAN Area Vice President and APAC Chief of Staff

May 23, 2019

-- Newly Created APAC Chief of Staff Role to Drive Sales, Marketing and Product Alignment with Long-Term Business Objectives --

TINTON FALLS, N.J. and SINGAPORE, May 22, 2019 /PRNewswire/ -- [Commvault](#) (NASDAQ: CVLT), a global leader in enterprise backup, recovery, archive and the cloud, today announced the appointment of Grace Ho as its new Area Vice President for Association of Southeast Asian Nations (ASEAN) and Chief of Staff (APAC), based in Singapore.

Charged with overseeing business across the entire ASEAN region – including Singapore, Malaysia, Indonesia, Thailand and Vietnam – Ho will play a critical role in driving Commvault's growth. As Commvault's first ever APAC Chief of Staff, Ho will also have business transformation responsibilities, primarily to drive synergies and tighten the integration of sales, marketing and product teams to deliver, and achieve region-wide business readiness practices.

"With over 20 years' experience in driving growth and leading diverse teams at some of the industry's top technology companies, we're confident that Grace will build on our success in ASEAN and strengthen Commvault's customer and partner ecosystem across the region," said Patrick Williams, Vice President of Sales for Asia Pacific (APAC), Commvault.

In an increasingly complex and diverse technology landscape, organizations across ASEAN must find solutions to protect and manage vast amounts of data. Commvault helps customers meet these challenges with powerful simplicity and enable their companies to grow by unlocking the strategic value of their data. Ho's appointment will be critical to driving this across ASEAN and APAC.

"As businesses transform into data-driven enterprises, data management and protection is critical for business continuity," said Ho. "My priority is to deepen the relationships we have with our customers and partners and engage them through a strategic approach to managing the life-cycle of their data."

Most recently, Ho served as Chief Marketing and Communications Officer and Strategy Leader (ASEAN) at IBM, leading its marketing and growth transformation agenda. Prior to that, she was Chief Commercial Officer of Singapore Post Limited (SingPost), where she played a pivotal role in transforming its sales, marketing and commercial operations to support the company's growth agenda in e-commerce logistics. Before SingPost, Ho was Managing Director and Head of Marketing for SAP in Asia Pacific where she led the transformation efforts which included integration of marketing and sales, integration of acquisition assets (SuccessFactors, Ariba, Fieldglass) and also strengthening its social and digital strategies. Ho also spent 10 years at Microsoft in various leadership roles, including as Global Product Management Director when she was based in Redmond Washington, USA.

About Commvault

Commvault is a leading provider of data management solutions, helping companies worldwide activate their data to drive more value and business insight and to transform modern data environments. With solutions and services delivered directly and through a worldwide network of partners and service providers, Commvault solutions comprise one of the industry's leading portfolios in data protection and recovery, cloud, virtualization, archive, file sync and share. Commvault has earned accolades from customers and third party influencers for its technology vision, innovation, and execution as an independent and trusted expert. Without the distraction of a hardware business or other business agenda, Commvault's sole focus on data management has led to adoption by companies of all sizes, in all industries, and for solutions deployed on premise, across mobile platforms, to and from the cloud, and provided as-a-service. Commvault employs more than 2,700 highly skilled individuals across markets worldwide, is publicly traded on NASDAQ (CVLT), and is headquartered in Tinton Falls, New Jersey in the United States.
