

Commvault Appoints Michael John Melnyk As Director Of Investor Relations

July 29, 2019

--20-Year Wall Street Veteran to Take the Lead on Investor and Financial Analyst Strategic Planning and Operations--

TINTON FALLS, N.J., July 29, 2019 /PRNewswire/ -- Commvault (NASDAQ: CVLT), a recognized global enterprise software leader in the management of data for cloud and on-premises environments, today announced Michael John Melnyk as the company's new director of investor relations. Reporting to Brian Carolan, Commvault's Chief Financial Officer, Melnyk will be responsible for identifying, developing and building relationships with third-party financial analysts and influencers and managing Commvault's quarterly earnings calls with investors.

"With 20 years on Wall Street, Mike has extensive experience in equity research, valuation analysis, financial modeling and capital markets," said Carolan. "This financial markets expertise, combined with his excellent communications skills, make him an ideal addition to our investor relations team."

Prior to joining Commvault, Melnyk was a senior vice president and senior analyst at Fred Alger Management, where he assessed industry trends and companies' competitive positioning, business strategies, growth opportunities, capital structure and long-term financial goals.

He also conducted due diligence and proprietary research to develop and support differentiated investment viewpoints. Before Fred Alger Management, Melnyk held a variety of analyst positions at CR Intrinsic/SAC Capital, Maverick Capital, and Donaldson, Lufkin & Jenrette. Melnyk is a CFA Charterholder.

"I look forward to using my financial markets experience and communications skills to further strengthen Commvault's relationships with investors and analysts during what is clearly one of the most exciting periods in the company's long history," said Melnyk. "Working closely with the executive team, I am eager to educate the investment community and share insight's on how our plan to build on Commvault's record of innovation, simplify our business and improve our execution will create shareholder value."
