

Commvault Celebrates CRN's 2022 Women of the Channel Honorees

May 12, 2022

15 Commvault executives honored for their contributions to the company's channel business

TINTON FALLS, N.J., May 12, 2022 /PRNewswire/ -- Commvault (NASDAQ: CVLT), a recognized global enterprise leader in intelligent data services across on-premises, cloud, and software as a service (SaaS) environments, today announced that CRN®, a brand of The Channel Company, has named 15 of its leaders to the Women of the Channel list for 2022. This esteemed list honors the incredible accomplishments of female leaders in the IT channel. Those named on this annual list come from all corners of the IT channel — including vendors, distributors, and solution providers whose vision, expertise, and contributions make an impact on the industry every day.

By bringing innovative concepts, strategic business planning and comprehensive channel initiatives to life, these extraordinary women support partners and customers with exceptional leadership. CRN celebrates these women, who are so deserving of recognition, for their constant dedication to channel excellence.

[Commvault's 2022 honorees](#) are diverse, representing a range of functions across the company, including marketing, sales, and business operations — all with a shared goal of delivering industry-leading enterprise data protection solutions to our partners and their customers. The honorees are:
