

Commvault Honors the Fearless Few - Announcing Global Partner of the Year Award Winners at SHIFT NYC

November 12, 2025

HPE, CDW, Softcat, and Logicalis Australia lead the 2025 Fearless Awards announced at SHIFT NYC

NEW YORK, Nov. 12, 2025 /PRNewswire/ -- **SHIFT 2025** – Commvault (NASDAQ: CVLT), a leader in unified resilience at enterprise scale, today announced the winners of its inaugural **Commvault Fearless Awards 2025**, celebrating partners worldwide who have shown fearless devotion to resilience in the face of cyber threats, market barriers, and business disruption.

Unveiled live at **SHIFT NYC**, the awards celebrate 24 standout partners across the globe – ranging from industry leaders and cloud pioneers to managed service experts and rising stars – each demonstrating Commvault's customer-first mindset and unified, cloud-native approach to resilience.

"Our partners embody what it means to be fearless," said Michelle Graff, Senior Vice President, Global Partners & Channel Sales, Commvault. "These awards celebrate partners who deliver exceptional customer outcomes — accelerating enterprise readiness and resilience by unifying data security, governance, and recovery. Together, we're helping organizations reduce risk, operate safely across hybrid environments, and harness the power of AI to drive growth and stay competitive."

Recognizing the Fearless Few

From regional leaders to global innovators, this year's winners represent the most trusted and tenacious names across the Commvault partner ecosystem:

- **Global Champion Award:** HPE
- **AMER Champion Award:** CDW
- **EMEA Champion Award:** Softcat
- **APAC Champion Award:** Logicalis Australia

"Organizations' data is more valuable and vulnerable than ever before. Being named Global Champion by Commvault reflects our shared vision to achieve comprehensive cyber resilience and data protection that spans from edge to cloud and source to target," said Patrick Osborne, SVP for Hybrid Cloud Technology Acceleration at HPE. "Backed by a combination of industry-leading technologies and expertise, we are uniquely positioned to create resilient, cyber-ready enterprises."

"We are proud to be recognised as Commvault's EMEA Champion. This award reflects the strength of a long-standing partnership built on shared values of innovation and customer-centricity," said Matthew Bailey, Hybrid Platforms Alliances Lead, Softcat. "In an era where cyber threats and data complexity continue to escalate, our collaboration with Commvault enables us to deliver secure, scalable, and intelligent solutions that empower organisations to operate with confidence."

"Being recognised as Commvault's APAC Champion is a testament to our fearless partnership and shared commitment to innovation. Together, we're helping customers strengthen resilience, drive agility, and navigate complexity with confidence across the region," said Lisa Fortey, General Manager, Logicalis Australia.
