

Commvault Delivers Complete Cyber Resilience for the AI-Powered Enterprise at Microsoft Ignite 2025

November 13, 2025

Visit booth #5426 to learn how to protect mission critical data and workloads at the speed and scale of AI-aided cyber threats

TINTON FALLS, N.J., Nov. 13, 2025 /PRNewswire/ -- Commvault (NASDAQ: CVLT), a leader in unified resilience at enterprise scale, today announced it is showcasing its cyber resilience and recovery solutions at [Microsoft Ignite](#). The annual event, dedicated to the latest technology trends and innovations that drive impact in the era of AI, will take place November 18-20, 2025, in San Francisco.

Attend Commvault's Speaking Session, "Cyber Attack Readiness in an AI World: A Blueprint for Success"

Commvault's Senior Director of Portfolio Marketing, Michael Fasulo will join Dean Dang, Director, Enterprise Applications & Services at University of Illinois Chicago and Rob Lawrence, Account Technology Strategist at Microsoft, for a conversation on how organizations are improving their readiness to recover when cyberattacks strike. Taking place on November 20 at 1:00pm, attendees will gain valuable insight and actionable strategies designed to help you recover with confidence. Add to your schedule [here](#).
