

CommVault(R) Announces Participation in Upcoming Investor Conferences

July 25, 2007

OCEANPORT, N.J., Jul 25, 2007 (BUSINESS WIRE) --

CommVault(R) (NASDAQ:CVLT) today announced that president and CEO Bob Hammer will address investors at the following investor conferences in August:

-- The 2007 Pacific Crest Technology Leadership Forum in Vail, Colorado on Tuesday, August 7, 2007 at 5:00 p.m. Eastern Time.

-- The 2007 North American Technology Conference hosted by RBC Capital Markets in San Francisco, California on Thursday, August 9, 2007 at 11:30 a.m. Eastern Time.

During these presentations, Mr. Hammer will review the current market landscape for data and information management software, business strategies to maintain leadership in these markets and growth opportunities for CommVault with its next generation products. Mr. Hammer will also take questions from the audience.

Mr. Hammer's presentations and subsequent Q&A sessions for both conferences will be webcast live and will be available for replay on the "Investor Relations" section of www.commvault.com.

About CommVault

A singular vision - a belief in a better way to address current and future data management needs - guides CommVault in the development of Singular Information Management(TM) solutions for high-performance data protection, universal availability and simplified management of data on complex storage networks. CommVault's exclusive single-platform architecture gives companies unprecedented control over data growth, costs and risk. CommVault's software was designed to work together seamlessly from the ground up, sharing a single code and common function set, to deliver superlative Data Protection, Archive, Replication, Resource Management and Search. More companies every day join those who have discovered the unparalleled efficiency, performance, reliability and control only CommVault can offer. Information about CommVault is available at www.commvault.com. CommVault's corporate headquarters is located in Oceanport, New Jersey in the United States. (cvlt-f)

Safe Harbor Statement

This press release may contain forward-looking statements, including statements regarding financial projections, which are subject to risks and uncertainties, such as competitive factors, difficulties and delays inherent in the development, manufacturing, marketing and sale of software products and related services, general economic conditions and others. Statements regarding CommVault's beliefs, plans, expectations or intentions regarding the future are forward-looking statements, within the meaning of Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended. All such forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Actual results may differ materially from anticipated results. CommVault does not undertake to update its forward-looking statements.
