Information on ["Fostering The Relationship With IT And Legal" Panel Session](#)

Abstract: Discover how to get the same defensible results on a lower budget through enhanced strategic planning and internal communications with IT and legal. Panelists will discuss the following best practices:

- Examining the whole EDM model rather than attacking it piece by piece
- Developing a holistic approach to selecting products and collaborating with IS
- Why legal needs to get involved with IT in software selection to control costs and to make sure the product meets your legal requirements
- Software selection - identifying key players to be your go to people
- Employing project management skills to outline problem/requirements and match the solutions to these requirements
- Understanding why one size does not fit all with respect to eDiscovery solutions

Speakers: Simon Taylor, Senior Director of Information Access Management, CommVault; Brandon D'Agostino, ESI Counselor, Blue Cross Blue Shield South Carolina; Tina Garbarino, Senior Principal Business Analyst, IT Litigation, Boehringer Ingelheim; Gerard G. Boccuti, Consulting Attorney & Litigation Support Manager, Wyeth

Date: Wednesday, December 9, 2009; 9:20 – 10:10 a.m. EST
