#### News Facts

- CommVault is announcing that Bob Carapezzi has joined the company as the new director of professional services for the Americas.
- In this role, he will look to expand CommVault's strategic [services offerings](#) to help enterprises streamline the integration of [CommVault® Simpana®](#) software into their physical, [virtual](#) and [cloud](#) environments to solve key business and IT challenges. The addition of Carapezzi will further seek to improve sales efficiencies in CommVault's Professional Services organization, accelerate enterprise services revenue growth and help customers fully realize the value of their Simpana software implementations.
- Carapezzi brings to CommVault two decades of experience building and managing professional services organizations and delivering enterprise services to customers.
- Most recently, he served as the Northeastern area professional services director for BMC Software. Prior to BMC, Carapezzi held professional services management roles for companies including Pillar Data Systems, Veritas (now Symantec) and Informix.

#### Supporting Quote

- Robert Brower, Vice President of Global Customer Support and Services, CommVault:

"CommVault is seeing increased customer demand for its Simpana software due to rapid data growth, expanding virtual server deployment and numerous datacenter consolidation projects. We're pleased to welcome a proven senior leader like Bob to our team. His extensive experience helping enterprise customers build transformative IT solutions will be invaluable towards ensuring they get the full business and IT value from Simpana software."
