

## CommVault Appoints Koh Eng Kheng as Regional Director for ASEAN

August 24, 2011

**Ex-VMware, Industry Veteran Recruited to Drive CommVault Growth across South East Asia --**

SINGAPORE, Aug. 23, 2011 /PRNewswire via COMTEX/ --

[CommVault](#) (NASDAQ: CVLT)

### News Facts

- Koh Eng Kheng as joined CommVault as the new regional director for the ASEAN region, including Singapore, Malaysia, Indonesia, Thailand, and Vietnam.
- Based in the company's Singapore office, Eng Kheng will be responsible for driving CommVault's growth in the region, through sales and channel marketing activities and to establish market leadership in enterprise data and information management.
- Supported by locally based country sales managers and pre-sales teams, Eng Kheng will focus on channel programs designed to help solve customers' physical, [virtual](#) and [cloud storage](#) business challenges with [CommVault® Simpana® software](#).
- Eng Kheng brings to CommVault over 17 years of experience building and managing teams and businesses across ASEAN with leading global technology companies.
- Most recently, Eng Kheng spent seven years as the regional director of VMware ASEAN. As one of the pioneers for VMware in the region, he was instrumental in starting and subsequently, growing VMware's business in the region. Prior to joining VMware, he was general manager for Hyperion Solutions for ASEAN and India, and country manager for Storage Systems at IBM Singapore.

### Supporting Quotes

**Gerard Sillars - Vice President, CommVault - Asia Pacific & Japan:**

"CommVault is enjoying considerable growth across the entire Asia Pacific and Japan region, and the ASEAN countries continue to represent a significant growth opportunity market for us. Having worked with large enterprise customers and partners across the region for many years, Eng Kheng has proven industry credibility and brings specific expertise in delivering solutions that help protect and manage world-class virtual server environments. I am confident that he will continue to play a key role in charting out our business strategy across the ASEAN region and beyond."
